

Core Bus Corridors

Liffey Valley to City Centre

There has been a lot of thinking and work on the best routes for bus corridors.

These are known as Emerging Preferred Routes.

One route goes from Liffey Valley to the City Centre.

This bus corridor will start at Liffey Valley Shopping Centre.

It will go to Coldcut Road, Ballyfermot Road and onto Sarsfield Road.

The bus corridor will travel along Sarsfield Road, Grattan Crescent and Emmett Road.

It will go through Old Kilmainham, Mount Brown, James's Street, Thomas Street, and Cornmarket.

It will continue along High Street to Nicholas Street, Winetavern Street, and into the City Centre.

Now, the bus journey from Liffey Valley to the City Centre takes up to 65 minutes.

With the bus corridor, this journey will take between 30 and 35 minutes.

The route is 10 kilometres.

There will be new cycle lanes along this route.

We need to make changes along the route to make room for the bus corridor.

For example, changing road layouts, taking away parking spaces, taking down and replacing trees, making changes to some gardens.

You will find a map for this route and an information booklet at:
